EXPOCARE PHARMACY

KNOWBE4 APP
SETUP QUICK GUIDE
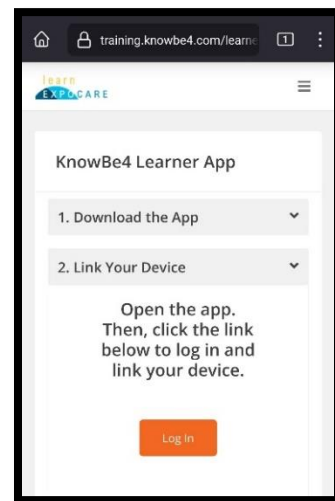

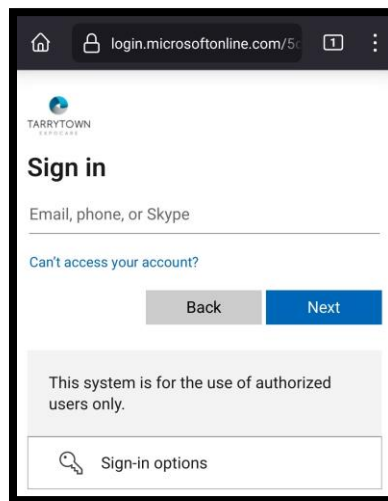

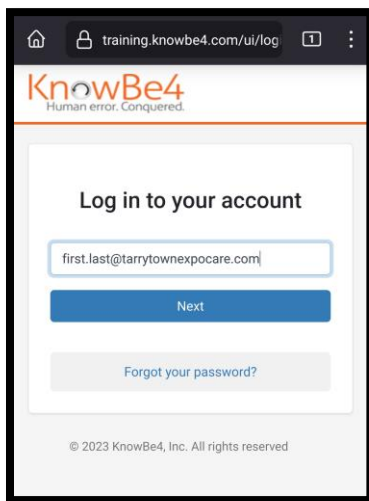

App QR Codes

Apple/iOS   Android

Setup Guide

1. Download the KnowBe4 app using the QR codes above or by locating it in your smartphone's app store.
2. On your mobile device, open a web browser and navigate to training.knowbe4.com
3. Enter your work username/email address (e.g., firstname.lastname@tarrytownexpocare.com).
4. A new sign-in page appears. Log in with your TTE/Microsoft 365 email address and password.
5. Once you have accessed your dashboard, open the menu (3-bars) in the upper-right, and click "KnowBe4 Learner App".
6. The app should already be downloaded from Step 1. Scroll down and click on "2. Link your Device."
7. Click the "Log In" button.
   a. If you see a QR code in this section, tap:
      If you would prefer to log in with a link, click here.
   b. Choose OPEN if you are prompted to launch another app.
8. The KnowBe4 app will open your Training module.
